### Patient Portal Consent Form

The patient portal is a secure web portal that allows you as a patient to access medical records including medication, lab results, and medical history via the internet. It also allows you to communicate with our office via secure messaging.

Please read the following policy carefully:

\*We are offering the patient portal as a convenience to you at no cost. We do not sell or give away any private information, including email addresses, without your written consent. We reserve the right to suspend or terminate the patient portal at any time and for any reason.

\*We will make every attempt to return portal messages within one business day. You must call our office at 303-840-3800 if you have an urgent matter to discuss. Please do NOT use the portal for emergencies.

\*We do NOT refill controlled substances over the portal.

\*If you are not receiving emails from us, please check your JUNK email folder before contacting us.

\*By using the patient portal, you agree to protect your password from any unauthorized individuals. It is your responsibility to notify us should your password be stolen. You agree to not hold Aspen Creek Family Medicine responsible for any network infractions beyond our control.
